** As you may know, the AGM is when committee members are elected or re-elected. All owners are eligible for committee membership, and as many existing members are stepping down, we now seek further nominations. We would particularly encourage south-side residents to seek nomination as we still have an imbalance of north and south sides on the committee despite our best efforts in the past.

** For the AGM, we invite nominations for committee membership to be forwarded to the secretary, Joyce Laville (No 2) at gardenshuntly@gmail.com by 3rd February 2025.
